PREFACE

We are pleased to offer this volume of Parish Records, the sixth in our ongoing series recording the Catholic settlers of the Conewago Valley. Looking at this volume with hindsight, it is readily apparent that these records would be better placed in a history of the Cumberland Valley. However, since the Church was founded by the Priests from Conewago, we find it reasonable to make this volume a part of our Conewago Valley series. In addition, while it is true that many of the Buchanan Valley residents came from "beyond the mountain", it is equally true that some came from the Conewago and Paradise areas of the Conewago Valley.

Any serious researcher using this volume will, by merely glancing at the title, be conscious of the fact that these records do not commence until 1864. It is known that this Church was erected in 1817 and it is believed that Masses were offered in area Mass Houses before the erection of the Church, possibly as early as 1795. We would, therefore, expect to find the early records of this Church at Conewago since the Conewago Priests served this area, but names we find in this record, with rare exception, simply do not connect with the Conewago Registers. On the basis of what we know at this time, we must assume that all, or nearly all, of the records prior to 1864 have been destroyed by a fire which was known to have occurred.

In a work of this nature, errors must, and do, occur. These errors are, generally, of two types - translation and mechanical. In translating and transcribing records, we strive to present the record exactly as it appears in the original. Even when we know the original is in error, we do not correct it. We believe that this is the only proper way to present the information and we leave it to the user to compare the various entries and, in his own mind, determine what is probably right - or wrong. Where we are prone to error is in deciding if, for example, a letter is an "a" or an "o". Thus, when we say the letter was "o" and write the name as PLONK, it very well may have been intended as an "a" and the name as PLANK. The user must search for a name under every conceivable variation of spelling when using these records.

Mechanical errors are made while typing the material. Typing the name FRANCIS for the feminine FRANCES is a good example. While we have made strenuous efforts to find and correct errors of this nature, some must surely persist. For these we offer our apology and beg your indulgence.

We have attempted to provide most of the available information in our presentation. Often the limited spaces available on the computer program were insufficient to handle the wealth

of available information. When this happened, we were forced to resort to abbreviations and changes in the usual format. These cases are readily apparent and the user, after a little study, should have no difficulty in following the information in the entry.

To Father Carl J. Steffen, for his time, patience and support, we extend our thanks. Without his assistance and cooperation, this project would have been much more difficult. We trust that he will find adequate compensation in the use of this volume.

Mrs. Donna Yake spent many hours in proof reading the manuscript and her efforts have been invaluable in eliminating many mechanical errors. To her, we are most grateful.

In this volume are the records of 859 burials, 740 baptisms, 458 primary marriages and 1957 secondary marriages. We believe that this book will be of substantial assistance to those seeking their roots in the records of this Church. The busy Parish Priest should find some relief in time; original records should be spared much use; the archivist should have another valuable record of Catholic activities in his library and the searching genealogist should be able to search the records faster, easier and greater thoroughness.

Should these goals become a reality, we shall have been amply rewarded for our labor and our dream of recording the history of the Conewago Valley Catholics through the records of their Churches will have become less a dream and more of a reality.

ST. IGNATIUS' CHURCH

by Jacob J. Cole

Author's note; In each of our Records, we have included bits of historical or extra-ordinary information which we found during our research and felt that it would be of interest or value to the users of these volumes. This is just such an article. For depth and scope of coverage, this article is outstanding.

We found this article in typewritten form and in the possession of a number of people, none of whom knew its' source. We were very surprised when we discovered that this article was published in John Timon Reily's Second Volume, pages 434 - 440, Collections and Recollections in the Life and Times of Cardinal Gibbons. We can see the accomplished hand of John Timon Reily editing, organizing and arranging the material which Mr. Cole presented in this fine article.

For the enjoyment and enlightenment of all who use this volume, here is a reproduction of an outstanding article of historical importance from the unique pen of John Timon Reily and Mr. Jacob J. Cole.

St. Ignatius' Church is built on a commanding eminence in the Southern part of the Buchanan Valley. A more beautiful spot could not have been selected in the Valley for erecting a temple to Almighty God, wherein the hardy sons of the wooded valley might worship Him. There is but little known of the early history of the church as there is no record to be found either at the St. Ignatius Church or at Conewago Church to which it was attached until the year 1858. It was originated by John Lowstetter who gave a tract of land containing 159 acres and 17 perches to build a church on. The money for building was collected through the neighboring counties. The corner-stone which is of red granite, was laid October 10th 1816. It was built of brick and not entirely finished on account of Mr. Lowstetter failing financially. It is one hundred feet long with an additional half octagon at the end in which the altar stands and also the sanctuary. It took one year to build it as far as it was finished which was in 1817, the date marked on the church. This tract of land was sold by Sheriff

John Arendt, Jan. 16, 1819. Michael DeLone purchasing 33 acres for \$33., the rest of the land upon which the church stood was purchased by the Jesuits of Georgetown and Conewago Chapel. Some of the original members were Jacob Sterner, Andrew Sterner, Peter Strausbaugh, Michael Strausbaugh, Michael DeLone, John DeLone, Andrew Noel, John Walter, Wm. Noel, Joseph Baker, Christian Baker. Andrew Noel put the first seats in the church and Michael Crowl did the mason work of St. Ignatius' Church. The parsonage was begun December 27, 1818. It was a log building and stands beside the church. The Jesuits of Conewago in 1853 sold the land off in lots, reserving two acres upon which the church stands including the cemetery. At the sale the congregation purchased eight acres of woodland to be used only for supplying firewood for the church. The deed being in John Brady's and George Cole's names. Rev. Adolphus L. DeBarth celebrated Mass at the house of Andrew Noel, Sr., which stood on the farm now owned by John Irvin; the old house stood in the meadow a little distance from the present residence, this was sometime before the church was built, between 1800 and 1817. Father Barber also came to the Valley and I think said Mass in this old house. Rev. Matthew Lekeu also said Mass in this house. His assistant at Conewago, Father Michael Dougherty, served this congregation. Revs. Fathers Kendler and Steinbacher also attended. Rev. Michael Dougherty served this congregation until 1843. He was born August 15, 1791, and died at Conewago August 29, 1863. Rev. Joseph Deitz attended the congregation from 1844 to 1848. He had the altar built in the church in 1848. Previous to Father Deitz's time a table was used as an altar. Cornelius Shaeffer, of Gettysburg, built the altar and Valentine Warner, Sr., made the Tabernacle and cost \$25; the wreath around it was designed by John Weigle, of Gettysburg. It is a plain but beautiful altar, painted in white and gold. Back of the Tabernacle the sun is represented on a hemisphere dispersing the clouds and when lighted with a number of candles has a fine effect. He is the first priest of whom there is any record of receiving a salary. It was collected from the members of the congregation amounting to \$36. The vestments, four in number, were also purchased while Father Deitz was pastor. The Sisters at the Convent at McSherrystown made them for which they did not charge. They cost \$80. Also two statues, one of St. Joseph and the Blessed Virgin and Infant Jesus and 15 chandeliers, which are all in use at the present time. Rev. F.B. Cattani attended for a short time from 1848 to 1850. He was born in Bavaria, Aug. 30, 1805 and died at

Conewago Aug. 31, 1865. During the time Father Cattani had charge of the congregation, the members cut 52 cords of wood on church property for charcoal. The money obtained for the charcoal was used in purchasing stoves and pipe, for making seats in church and repairing tenant house on the church farm, William Shepard being the tenant at that time; the men who volunteered to do this work, (those who chopped the wood) were Charles McKenrick, Peter Adams, Francis Will, Peter Sterner, John Sterner, George Sterner, John Lippincott, John DeLone, Joseph DeLone, Peter DeLone, John Kimple Sr., Theodore Kimple, Sr., Andrew Baker, George Strausbaugh, William Shepard, Henry Knouse, Patrick Ball and Peter Wilson. Each man cut three cords. Samuel Brady, John Brady and Andrew Noel hauled the wood to the coal pit. The colliers were George Boleon, who coaled 1000 bushels, and George Shefline, 877 bushels; Andrew McKenrick and George Cole, Jr., hauled the coal to market, which amounted to \$80.55. This work was all done gratis except \$9. paid to George Boleon. He also peeled 29 cords of bark, the proceeds to go to the church. The names of those who peeled without charge were Peter Sterner, John Sterner, George Sterner, John McKenrick, George Strasbaugh, George Boleon, Rhinehart Miller, William Shepard, John Kimple, Sr., Theodore Kimple, Valentine Hoyle, Lawrence Shefline, Joseph DeLone, Peter DeLone, John Dillman, John Baker, William Kane, Henry Knouse. Those who hauled the bark were Andrew McKenrick, Samuel Brady, John and George Cole, John Brady and Jacob Meyers. This shows that the members took a great interest in their church; and worked hard together to fit it up that it would be an honor to Almighty God. Rev James B. Cotting attended St. Ignatius' Church from Conewago, 1849. It was during his pastorship that the bell and organ were purchased, the bell weighing 200 lbs., and the height of cupola 13 feet and cost \$80. It was solemnly blessed by Rt. Rev. Dr. Neumann, Bishop of Philadelphia, Dec. 19, 1852. The organ was purchased the same year by Father Cotting from F.H. Berger, organ builder, in Baltimore. It cost \$450. Father Cotting did a great deal for St. Ignatius' by repairing and getting new things. He had the pews put in, 52 in number. At the same time the parsonage was repaired, Wm. Rex and James Brady doing the carpenter work. Between 30 and 40 acres of land were sold to pay for the organ. It was first used in St. Joseph's Church, Baltimore. Jacob J. Cole, son of George Cole, Jr., a boy of 8 years, blew the bellows while Mr. Berger tuned the organ. He also served Mass the first time about that age under Father Cotting and served up to the year

1849. John Stoll was the first organist who played about a year and returned to Baltimore. The original choir consisted of Peter Adams, leader; John Baker, George Cole, Jr., John Cole, Sr., George Goy, Anna, Elizabeth and Susan Strausbaugh, and Margaret Goy. "May the most just, the most high and the most amiable will of God be done, praised and eternally exalted in all things," expression of Rev. Father Cotting when the organ was placed in the church. The pulpit which remained in the church for a number of years was bought from the Littlestown congregation and brought to the Mountain by George Cole, Jr., and Samuel Brady while Father Cotting attended. Rev. F.H. Deneckere succeeded Father Cotting and was a most zealous pastor and did a great deal for St. Ignatius' Church. He provided a Library and established a Rosary Society. He was the last regular Jesuit pastor. In 1858 the Jesuits gave over the Gettysburg and Mountain congregation and church property into the care and control of Rt. Rev. James Wood, Bishop of Philadelphia. A new charge was formed out of St. Ignatius' Church, Immaculate Conception, Fairfield, and St. Xavier's, Gettysburg, with but one pastor residing at Gettysburg. Rev. Basil Shorb was the first secular pastor who was appointed about 1858, residing at Gettysburg. He attended until about the 25th of Feb., 1860. He was followed by Rev. L. F. Miller who attended 5 months. Rev. F.P. Mulgrew, from September to December, 1860. Then came Rev. Michael Martin for a short time. The next regular pastor was Rev. Arthur McGinnis, in charge from July 16th, 1861, to October, 1863. Rev. Joseph A. Boll assumed charge January 4, 1864, until the spring of 1873, when St. Ignatius Church was detached from the Gettysburg and attached to the Chambersburg Missions. Father Boll had the church frescoed and painted and had a new roof put on. Miss Sarah Cole was the organist during the time he attended. Rev. John Boetzcus, pastor at Chambersburg, assumed charge in 1873 with his assistant, Rev. Daniel Reily. Rev. Thomas J. Flemming took charge of the congregation in July, 1875, with Rev. Joseph Kaelin as assistant. He was a very energetic priest and had the cemetery enlarged and laid off in lots and had the church repaired, repainted, and altar erected to St. Joseph; to obtain the money for this the ladies of the congregation in December 1879, held a Fair. They cleared \$500. This was the first Fair held in that part of the country. On the Feast of the Assumption, he bade farewell to his flock. He was much beloved by his congregation. Rev. Clement A. Schlueter succeeded Father Flemming the same year. He was most devout to the

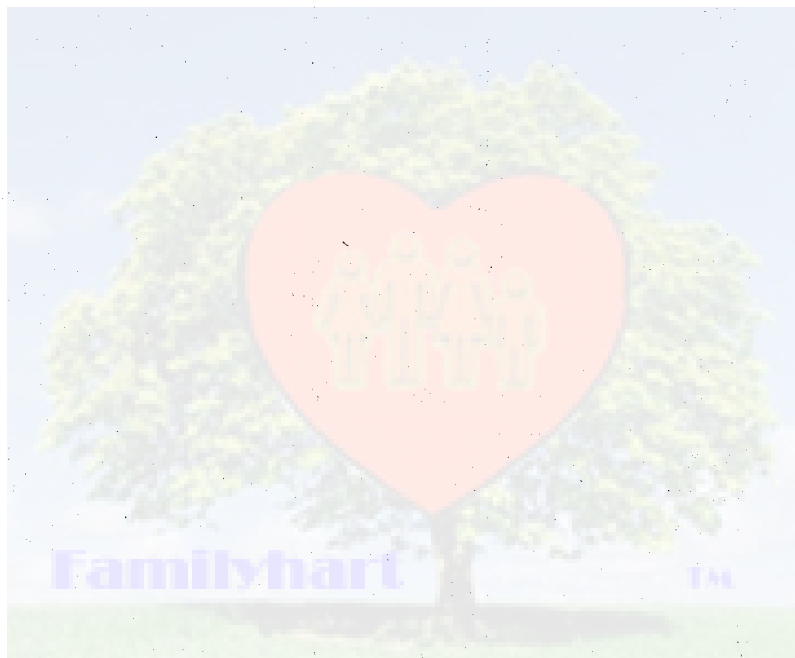

Blessed Sacrament and demanded respect from his people and reverence in the church. He was here about six years when he was removed. He then went to Rome and sometime after his return took charge of a congregation. Father Joseph Kaelin was assistant for awhile and Father Francis Seubert came as assistant in September, 1886, and remained until after Christmas, when he was sent as pastor to Lock Haven, Pa. Rev. Philip McLaughlin was his next assistant and remained for awhile and was sent as pastor to Marietta. Rev. John O'Reilly succeeded Father Schlueter in the year 1887 and was pastor of Chambersburg and Missions until 1889, when Rev. John Shanahan was made pastor. Rev. Germanus Kohl was assistant to Father O'Reilly and he was sent as pastor to Snow Shoe and Rev. Pius Hemler took his place. Rev. Germanus Kohl succeeded Rev. John Shanahan after he was sent to the Pro-Cathedral at Harrisburg, Pa., in 1890. Rev. Pius Hemler sent to Lancaster. Rev. Jermiah Looney was his assistant and remained until Nov. 1891, when Father Smith, formerly Bishop McGovern's Secretary, was sent as assistant. Jacob J. Cole was instrumental in establishing a Catholic School during the summer months in 1877, proposing it to the Rev. Thomas J. Flemming who obtained Miss Jane Cole as teacher. The term being finished by her cousin, Miss Sarah J. Cole. Miss Annie McCloskey then taught several terms; Miss Sarah C. Stahle taught from 1881, six summers. Much good work was accomplished for the intellectual and spiritual culture of the children.

SETTLEMENT OF THE VALLEY--Buchanan Valley, originally called "Pleasant Valley", was settled about 1734. It is six miles long and about two miles in breadth. James Bleakley was the first to move into the valley, others soon followed. Some of the names of the first settlers were Casper Hiller, Donald McClellan, James Kerns, Francis Kincannon, William Cobb, William Milligan, James Jamison, Robert Buck, Christopher Warren, Jacob Symmons, Andrew Noel, Peter Strasbaugh, Nicholas Strasbaugh, John DeLone. James Bleakley was the first farmer and was also a shoemaker by trade, 1734. The first child born in the Valley was Isabella Bleakley, June 11, 1748. The first marriage was in 1778, William Brandon to Jane Bleakley. James Bleakley, Jr. built the first saw mill in 1783. The first death was June 30, 1809 in the person of the wife of James Bleakley. Mrs. Armstrong was the first school teacher (1790) the schoolhouse being situated in the northern part of the Valley at the foot of Pine Mountain. The first grist mill was built by John Lowstetter, which stands on Conewago Creek, on the farm now owned by Theodore Kimple, Sr. The name of the Valley was changed to "Buchanan Valley" during the presidential campaign of James Buchanan in 1856.

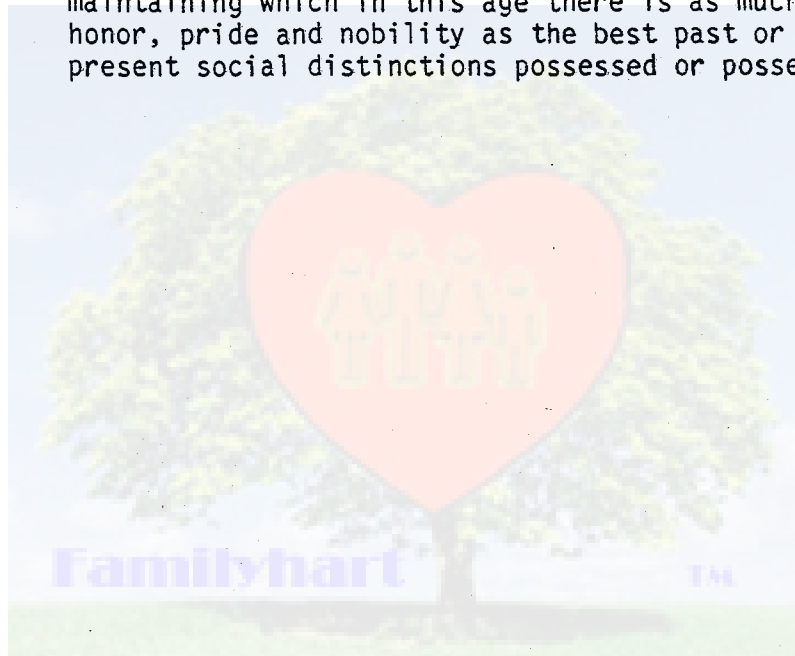

The number of inhabitants about 500. There are two stores kept by John H. Musser and John F. Cole, who is also postmaster. There are two steam saw mills, run by Amos Newman and William Martin. There are a number of saw mills run by water power, and one grist mill owned by Theodore Kimple, Sr., a blacksmith shop owned by Samuel Irvin. There are three school-houses named "Brady's", "Strasbaugh's", and "Newman's". Agriculture, stock growing and the manufacture of lumber are the principal pursuits. There is but little commerce, charcoal, grain and lumber being the chief articles. Conewago Creek runs through the valley, rising on Charles Coewell's farm at a spring in the meadow. This farm is at the head of the valley near the Chambersburg pike. The first Post-office was established in 1886 named "Trust", Miss Sarah C. Stahle took an active part in securing its establishment and George Cole, Jr., was appointed P.M., April 23rd, 1886, and continued until January 5, 1892, when Miss Sarah C. Stahle was appointed acting P.M. John F. Cole was appointed and took charge of the office April 1st, 1892. I have tried to secure the names of tracts of land, warranted and which were named according to the old baronial system of Great Britain. Land of Francis Kincannon, 1767, named "Carlow," afterwards owned by Francis Noel, Jr., and where William Clapsaddle resides at present. Another tract of land owned by Andrew Noel, Jr., in 1800 was named "Lurgan". A tract of land owned by Andrew Noel, Sr., (Alias Nail) was called "Stonehall," now owned by Theodore Kimple, Sr. There is a tract owned by Hon. Francis Cole called "Armagh". For biographies of the Coles see pages 367-368. Father Kohl belongs to Kohl family in Germany; as there was but one family, the name has been changed here in the Valley from Kohl to Cole by usage. Some old teachers were Francis Will, Joseph Warner, John Livers, Mr. Mickley Sarah Thomas, John I. Brady, Abraham Keckler. There is an old graveyard on the place now known as the "Noel" place. It was known by the people of the Valley as the "Scotchman's Graveyard". Francis Kincannon took up the land from the government about 1769, (a warrant was issued in 1709,) and I infer from this that it was his private burying ground or land given by him for burying purposes for the settlers. The tombstones are rough slate stones with no carved names on; there was but one and that was of recent date, a child of George Sterner, but it is quite defaced. Some of the names of people buried there I have obtained from some of the old inhabitants: John DeLone (a native of France,) and grandfather of Mrs. Peter Adams, a lady of 76 years; also of Mrs. Daniel

Knouse, a widow; Dennis McGuire, William Williams (colored), one of the Kecklers, one of the first settlers, and twin children of Daniel Wingert now living in the Valley; Margaret (Saltzgiver) Keckler, Elizabeth Young Keckler. This ground was blessed but I cannot find out by whom. Names on tombstones in St. Ignatius' Cemetery; I have obtained the names of some old people who have no tombstones. Andrew Noel, Sr., (Alias Nail), the first person buried in the Cemetery, 1821, aged 86 years, no stone. Anna, wife of William Noel, died August 7, 1841. George Cole, Sr., died Dec. 31, 1842 in his 60th year. Samuel Brady, born 1779, died July 16, 1847. Anna A., wife of Andrew Mckenrick, died May 22, 1858. Michael Dillon (changed from DeLone) son of John DeLone, Sr., buried in the "Scotchman's Graveyard", aged 68 years, March, 1851. George Douse died August 23, 1876, aged 81 years, 1 month and 27 days. Arnold Livers died Jan. 10, 1881, aged 74 yrs. 6 mos. and 8 days. Elizabeth Livers, born Sept. 2, 1806, died Feb. 1, 1884. Levi Irvin died July 18, 1868, aged 62 yrs., 9 mos. and 11 days. Sarah, wife of Levi Irvin, died March 31, 1866, aged 56 yrs., 9 mos. and 6 days. Elizabeth, wife of John Kimple, Sr., aged 77 yrs., 2 mos., died May 24, 1882. John Kimple died March 22, 1877, aged 73 yrs. 2 mos. and 5 days. John Rollman died June 21, 1870, aged 67 yrs., 8 mos. and 23 days. John Dillon (DeLone) died Sept. 17, 1882, aged 87 yrs., 8 mos. and 26 days. John Brady, born Sept. 9, 1837, died Aug. 12, 1889. Susan, wife of John Brady, died April 6, 1864, in her 55th year. James Wilders died Nov. 12, 1853, aged 71 yrs., 7 mos. and 14 days. Mrs. Anna R. Rollman was born in Germany, came to this country when a child, died June, 1891, aged 74 years. Catherine, wife of John DeLone, died Aug. 7, 1865, aged 48 years. Mary, wife of John DeLone, died Aug. 8, 1831, aged 34 years. Theresa, wife of Michael DeLone, died Sept. 14, 1844, aged 50 years 2 mos. and 21 days. Andrew Noel (second) died in 1885, aged about 80 years. Elizabeth Noel died soon after, can find no record of her age. Andrew Noel (third) died Jan. 1, 1873, aged 69 yrs. 8 mos. and 4 days. Hannah Margaret Noel, his wife, died Feb. 1884, aged about 78 years. John Noel, Sr., son of Andrew Noel, Jr., died (drowned) October, 1863, aged about 36 years. Maria (Steiger) Noel, wife of John Noel, Sr., died June 14, 1882, aged 59 years. List of old settlers.-John Weaver, Peter Strasbaugh, Nicholas Strasbaugh, George Strasbaugh, Charles DeLone (now called Dillon), Peter Keckler, Sr., and Jr., John DeLone (native of France), Andrew Noel, first; Andrew Noel, second; Andrew Noel, third; Valentine Berger,

Jacob Stambaugh, Jacob Middlecauf, Henry Walter, John Wildebrand, James Kimple, Thomas McKean, Hannah Bleakley, Margaret Bleakley, Daniel Noel, Samuel Brady, all (or nearly all, Catholics). [The DeLones and Noels, being of French descent, are no doubt of the same family as the Paradise DeLones and Noels. The French name was D'leau; the York Co. Germans called them Dellow; the good American English name is Dellone; modern aristocratic affectation makes them Deloni (Dellonee); DeLone and Dillion must be American variations on French pronunciation. The same with Willen, German; Will, American; Wills anglicized. So with many proper names that are spelled in different ways, either one of which is right, the most proper being the way every man chooses to spell his own name. We prefer and follow, -where choice is left us, -"the good old way." Few of us need to be ashamed of our plain, honest originality, in maintaining which in this age there is as much honor, pride and nobility as the best past or present social distinctions possessed or possess.]
