## PREFACE

In this, our fifth book of Church Records, we continue the chronicle of the Catholic population of the Conewago Valley thru the records of the Pastoral Acts of the Catholic Churches of the area. These records of the Bonneauville Church offer a substantial and valuable block of new information. Because of the location of this church, the early congregation was drawn from Conewago, Littlestown and Gettysburg. Thus the genealogist can easily trace families originally found at Conewago to Bonneauville and the present time period.

In this work, for the first time, with permission of the Bishop, the Baptismal Records are extended thru 1910 and the Marriage Records thru 1986. Also, for the first time, three new sections have been added. In the Marriage Records there are many instances where the witnesses are reported as husband and wife and often the parents of both bride and groom are listed. because we felt that these entries were a positive indication of a legitimate marriage, we have presented these entries in alphabetical order under both the husband's and the wife's name. This same situation also existed in the Burial Records and was treated in the same manner. The alphabetical arrangement of all records should enable the Priest or genealogist to rapidly ascertain if any name exists within the records of the Church. This should not only prove to be a valuable time saver, but should also reduce the number of times the original records must be used and thereby prolong their life.

It is our fervent hope that these records will be accepted by the various Patriotic Societies for which lineal descent must be established thru legitimate lines. Since proof for these lines must now be more positive than ever before, acceptance of these records would be a boon to all those who seek membership in these organizations and find their ancestors within the pages of this volume.

In a work of this nature, errors must, and do, occur. These errors are, generally, of two types- translation and mechanical. In translating and transcribing records, we strive to present the record exactly as it appears in the original. Even when we know the original is in error, we do not correct it. We believe that this is the only proper way to present the information and we leave it to the user to compare the various entries and, in his own mind, determine what is probably right - or wrong. Where we are prone to error is in deciding if, for example, a letter is an "a" or an "o". Thus, when we say the letter was "o" and write the name as PLONK, it very well may have been intended as an "a" and the name as PLANK. The user must search for a name under every conceivable variation of spelling when using these records.

Faint, illegible text at the top of the page, possibly a header or introductory paragraph.

Faint, illegible text at the bottom of the page, possibly a footer or concluding paragraph.

Mechanical errors are made while typing the material. Typing the name FRANCIS for the feminine FRANCES is a good example. While we have made strenuous efforts to find and correct errors of this nature, some must surely persist. For these we offer our apology and beg your indulgence.

We must note that several years of records for the early 1890's simply do not exist. The user must be aware that records which may be crucial to his quest might not exist.

We have attempted to provide most of the available information in our presentation. Often the limited spaces available on the computer program were insufficient to handle the wealth of information available. When this happened, we were forced to restore to abbreviation and change of format. These cases are readily apparent and the user, after a little study, should have no difficulty in following the entry.

We have accepted the many long hours of tedium, often frustrating, labor and the not inconsiderable expense required to prepare this volume as part of the sacrifice required to make this dream become reality. We must acknowledge that the acceptance of this cost by our families as the price they must pay as their part in this work is considerably greater. Their patience and understanding has been a vital element in this time consuming, long term project.

To Father Paul T. Rindos, for his time, patience and support, we extend our thanks. Without his assistance and cooperation, this project would have been much more difficult. We trust that he will find adequate compensation in the use of this volume.

Mrs. Donna Yake spent many hours in proof reading the manuscript and her efforts have been invaluable in eliminating many mechanical errors. To her, we are most grateful.

In this volume are the records of 900 burials, 1004 baptisms, 766 primary marriages and 2638 secondary marriages. We believe that this book will be of substantial assistance to those seeking their roots in the records of this Church. The busy parish Priest should find some relief in time; original records should be spared much use; the archivist should have another valuable record of Catholic activities in his library and the genealogist should find his information easier and quicker.

Should these goals become a reality, we shall have been amply rewarded and our dream of recording the Catholics of the Conewago Valley will have become less a dream and more a reality.

## The Catholic Church at Bonneauville - Some Bits of History

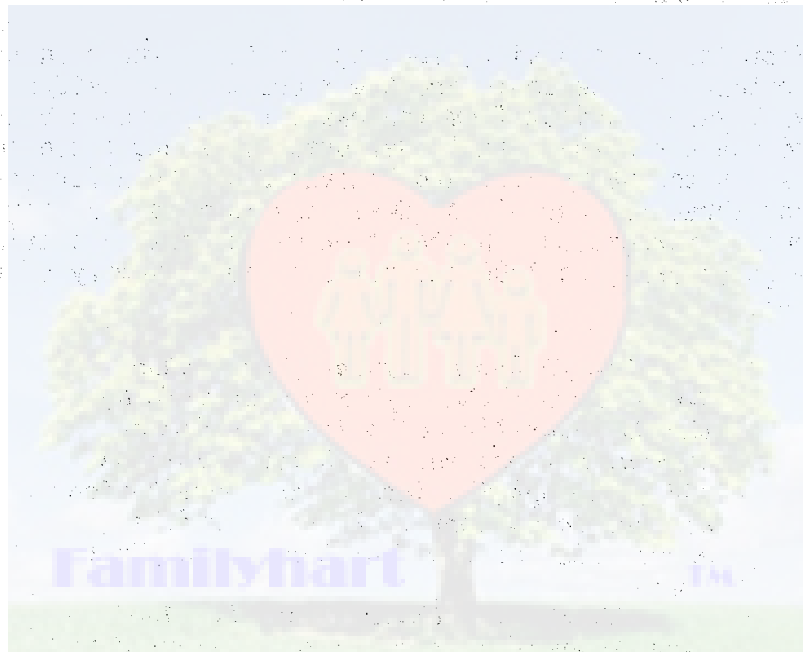

A small number of houses (about thirty in all) five miles from Gettysburg on the State Road to Hanover, form the village of Bonneauville. Being about three and one half miles from the nearest railroad, the village, although of considerable account, has never grown even to a moderate extent. Its inhabitants, and those of the vicinity, are thrifty farmers, some of whom are residing in the homes made by their ancestors. But little change takes place here, save for the April "flittings," as the moving from place to place or farm to farm is called, after which, Bonneauville returns to its undisturbed life until another year will have passed, for the village lacks all those advantages with which other places are favored. The only industry is a cigar factory where there are from fifteen to twenty persons employed.

From its western side, leading north, is the road to Hunterstown, to the south are the roads to Littlestown and to Two Taverns; whilst from the eastern side, there branches off to the north the road to New Oxford. Along these roads, as also on the Gettysburg and Hanover State Road for distances of from three to four miles, dwell the families forming St. Joseph's Congregation. Hunterstown was a mission station from Conewago as early as 1806 and not a trace or memory of this remains.

*The following letter from Bishop Neumann shows that efforts were made by the Bonneauville Catholics to build a church, without success, before 1859; in 1859, through the labors and contributions of Rev. Basil Shorb, the Bonneauville church was built and he became its first pastor:*

*"J. M. J. - Phila., Jan. 25, 1858. - Dear Reverend Father - I have deferred to answer your last communication, thinking that I might get a letter from this good people of Boncaughtown. No such letter has as yet reached me, nor have I heard of this matter. It appears to me that the building of a church about half way between Conewago and Gettysburg is rather premature. The number of Catholics cannot be very large and unless they are all wealthy and liberal, where will they get the means to build a church. Your own Rev. Fathers could not attend to this new church on Sundays, and perhaps not even on week days; and I have at present no priest in the neighborhood there whom I could invite to pay them a visit even four*

*times a year. To have a church, and no priest to perform in it the holy offices of the church, would only prevent them from going to either of the three churches in the neighborhood, and their spiritual prospects might so be more injured than advanced. Otherwise I like it very well, when I see Catholics desirous of having a church near them, as they evince their attachment to our Holy Faith and their desire to participate oftener in the consolations and graces she offers. If I should receive a letter from them I will let your R. know the import of my answer. I pray to God to bless you all, and remain with sincere esteem.*

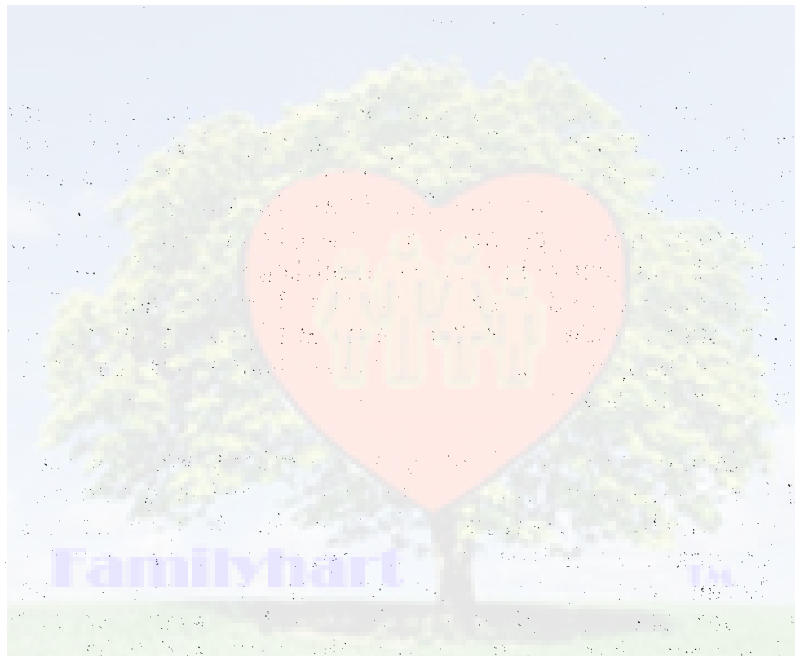

*"Yours truly in Xsto,  
"J. N., Bishop of Phila."*

*"Rev. J. Enders, S.J."*

Previous to 1859, the Catholics from this section attended services at Conewago Chapel, they then forming part of that parish. During the year mentioned Rev. Basil A. Shorb, then Pastor of St. Francis Xavier's Church in Gettysburg, was appointed by the Bishop to form a separate parish at Bonneauville or Bonoughtown, as it was called, to build a church and also a parochial residence. Eagerly Father Shorb undertook the task assigned to him, and he found the people zealous in their endeavors to assist him in a work so dear.

Ground for the Church and Rectory was donated by Mr. and Mrs. Alexander Shorb, Mr. Shorb being a brother of Father Shorb. Immediately Father Shorb appointed a committee to cooperate with him in the erection of the Church. The gentlemen forming this committee were: Messrs. Geo. Hagerman, Alexander Shorb, and Joseph A. Smith. With earnestness the parishioners began excavating the site and hauling the material, so that, in a short time, such progress was made that the corner-stone was laid by the Bishop and blessed by Father John Baptist Cattani, S.J., the sermon by Father Hetzelberger, S.J., Sunday, July 31st. 1859. There were only thirty families in the parish at the time and many assisted in the construction of the church. In February, 1860, the Church was completed and on the 26th. of the same month, solemnly dedicated, and for the first time the Holy Sacrifice of the Mass was offered in Bonneauville. Father Walsh preached the dedicatory sermon and there were present Father Enders, Miller, and Shorb. The parochial residence was completed about the same time as the church.

Father Shorb had resigned the pastorate of Gettysburg prior to the dedication, and coming to Bonneauville, lived with his brother Alexander Shorb, until the residence was fitted for occupancy. Here he labored zealously and with evident

results, until his death which occurred on April 4th, 1871. In a sketch of his life it is found that he was born near Littlestown, on Oct. 16th, 1810. After the elementary studies he attended Mt. St. Mary's College and Seminary, Emmitsburg, Maryland and in December 1834, he was raised to the Priesthood by Bishop Purceil in Cincinnati, Ohio. The first years of his ministry were spent in the State of Ohio. In 1846, however, he returned to his native state and was in charge of St. Peter's Church, Columbia; subsequently he had charge of St. Bonaventure's, Susquehanna; afterwards of St. Basil's, Sullivan Co., and spent some time in York, Chambersburg, Reading, Milton, Towanda, and Summit Hill. On the 15th of November 1858, he took charge of St. Francis Xavier's, Gettysburg, from which place, as has been stated, he came to Bonneauville.

When a boy, John T. Reily, served Mass at Bonneauville. He never forgot the fear entertained for Father Shorb, but in many ways he was a kind man.

According to existing records, Elizabeth Jane Buddy was the first one baptized in the new parish on November 4, 1859. Father Shorb witnessed the first wedding in the church between Leo Nace and Ellen Vandike on August 16, 1860. In May of 1894, Bishop McGovern confirmed 75 boys and girls. Thirteen boys and girls received their First Holy Communion on May 8, 1910. The first death recorded was that of Charles F. Hemler on September 16, 1900.

After Father Shorb's death, Rev. Joseph Boll of St. Francis Xavier's Church, Gettysburg, attended Bonneauville for about a year, saying Mass once a month and teaching catechism.

In September 1872, Rev. W.S. Pope was appointed pastor. Through him the name of the village was changed from Bonaughton to what is now known. Bonaughttown means "Sweet Water".

The need of a parochial school being long apparent, Father Pope selected Dr. A. Noel, Messrs. P.K. Smith, and Joseph A. Smith to assist him in the erection of a building suitable for this purpose. It was completed in 1873. The ground on which it stands was the gift of John McMasters. The Sisters of Charity from Mt. St. Vincent's were placed in charge, but they did not return the following year. The deed for this and other properties of the parish were made in the name of Rt. Rev. James F. Wood, in trust for the congregation, and after the creation of the Harrisburg Diocese, were transferred by him to Rt. Rev. J.F. Shanahan who had been chosen Bishop of the new See. The deed for the latter transaction was filed at Gettysburg, Nov. 26th, 1875, in Deed Book E.E. page 119.

Father Pope also began the addition to the parochial residence which however, was completed by his successor, Rev. W. F. McIlhenny who took charge in October 1874. Father McIlhenny secured the services of the Sisters of St. Joseph for the school,

who also relinquished their charge, after which lay teachers were employed until 1902. James W. Gubernator taught a short time. Miss M. Martin taught in 1888.

In September 1876, Rev. John Shanahan succeeded Father McIlhenny remaining until October 1881. During his pastorate a new site on the parish property was selected for a cemetery, to which were removed the bodies from the old grave yard surrounding the Church. In Nov. 1879 a mission was given at St. Joseph's by Fathers Busch Kolp of Boston, during which a mission cross was erected on the east side of the church.

The Sodality of the Blessed Virgin was established by Rev. A.J. O'Brien who was Father Shanahan's successor. He was in charge until October 1882, when Rev. J.J. Gormley was appointed.

The sacristy which has been added to the Church, was the work of Father Gormley. He also introduced a heating system for the church, built a large substantial barn, and cleared the Church of all indebtedness. On the 24th of November 1883, three acres of land adjoining Church property belonging to Father Shorb were conveyed by Joseph S. Shorb, executor, a bequest of Father Shorb, to the Bishop for St. Joseph's Congregation, being recorded at Gettysburg, in Deed Book K.K., page 28.

Father Gormley was transferred to Renova, May 21st 1888, and on the same day Rev. W.J. Burke assumed charge of Bonneauville. Under Father Burke the interior of the Church was renovated, and new altars and new Stations of the Cross were erected. He was assigned to St. Joseph's, Locust Gap, in March 1891, and Rev. J. J. Hollern directed the affairs of the parish until the following September, when Very Rev. W.J. McBride was made rector.

After the death of Father McBride, whose health had been failing for a long time, Rev. Wm. Martin took charge in January 1897. After four years pastorate, Father Martin received his appointment to the rectorship of St. Peter's Elizabethtown, being succeeded by Rev. Thos. Flemming who lived by a few months.

Rev. J.C. Thompson was the next rector. Father Thompson took charge from Jan. 10th, 1901, until June. During the following five months Rev. Francis McCarthy was rector and after him, Rev. Geo. Breckel for a short time, Father Thompson was again appointed rector in December of the same year.

The next year at the suggestion of Rt. Rev. Bishop, it was decided to again place the school under the direction of the Sisters. Father Thompson, therefore, remodeled the school, changing the formation of the first floor and adding a second floor, and secured as a dwelling for the Sisters, the property belonging to Mrs. Ellen Bupp. A note was given for the amount, and the property bought in the Bishop's name for the congregation.

A deed conveying it in this manner, was recorded on January 17, 1903, at Gettysburg in Book 57, page 349. It originally belonged to D.T. Sneeringer from whom it was transferred to Mr. and Mrs. Bupp.

On October 14, 1902 the school was opened by the Sisters, Servants of the Immaculate Heart of Mary, with Mother Rosalia as superioress, they remained until 1939 when the Sisters of St. Joseph returned.

On February 13, 1903, Father Thompson was assigned to the Sacred Heart Church in Harrisburg, and Rev. P.J. Costigan was appointed rector. The note for the Convent was paid September 1, 1903 and all the Church property was free from debt. The condition of the parish (1903) was very encouraging and reflects much credit upon the faithful members of St. Joseph's Congregation.

In 1907 the church was encased in new brick and a new facade was added.

Other pastors were:

Father Edward A. Burhard from January 1906 to September 1909  
Father P.S. Huegel from October 1909 to September 1910  
Father Wm. F. McSherry from September 1910 to March 1913  
Father John B. Shanahan from March 1913 to July 1917  
Father John McNicholas from July 1917 to March 1922  
Father M. Scanlon from March 1922 to May 1926  
Father P.J. Enright from May 1926 to April 1933  
Father T.O'Hanrahan from April 1933 to October 1935  
Father Leo J. Kritchen from October 1935 to March 24, 1960  
Father Louis W. Forgeng from March 24, 1960 to August 1967

Under Father Forgeng a new school was built in 1960 and extensive improvements were made to the convent. The years before 1967 experienced a steady growth. In 1967 there were 236 families with over a thousand members and an enrollment of 207 in the school. After Father Forgeng left, Father Edmund J. Gerrity arrived August 1967 and stayed until April 1970. On May of 1970 Father Bernard V. Mathern arrived and was pastor until May 1973. The current pastor, Rev. Paul T. Rindos, arrived in June 1973.

The only priestly vocation from St. Joseph's was Father Joseph A. Little, born April 4, 1879 and died June 7, 1945. He was ordained December 21, 1907 and was the son of August Little and Mathilda Sneeringer.

The known young girls entering the religious life are four.

Sister Mary Bernardine 1892-1985 - Ivy Regina Strausbaugh, daughter of Charles and Regina Smith Strausbaugh, entered the Sisters of Mercy in 1913.

Sister Mary Hildergard 1886-1932 - Theresa A. Sneeringer, daughter of Francis J. and Frances Livers Sneeringer, entered Sisters of Mercy in 1915.

The first part of the document discusses the importance of family support in the early years of a child's life. It highlights how a strong family foundation can lead to better educational and social outcomes for children. The text emphasizes the role of parents and caregivers in providing a nurturing and stable environment.

Next, the document addresses the challenges that families may face, such as financial difficulties, lack of access to resources, and mental health issues. It suggests that these challenges can be mitigated through community support and targeted interventions. The text calls for a more holistic approach to family support that addresses these various needs.

The document then discusses the importance of early childhood education and care. It notes that high-quality early education can significantly improve a child's cognitive and language skills. The text also mentions the need for affordable and accessible early care options for all families, particularly those in low-income areas.

Finally, the document concludes by emphasizing the need for continued research and policy development to improve family support programs. It calls for a focus on evidence-based practices and the inclusion of families in the design and implementation of these programs.

The document also touches upon the role of community organizations and government agencies in providing family support. It mentions various programs and services that are available to families, such as parenting classes, financial counseling, and mental health services. The text stresses the importance of collaboration between these different entities to provide a comprehensive support system for families.

In addition, the document discusses the impact of social policies on family well-being. It notes that policies related to housing, healthcare, and social security can have a significant influence on the lives of families. The text calls for a more equitable and supportive policy environment.

The document also highlights the importance of family resilience and the ability of families to overcome adversity. It suggests that building resilience through education, support, and positive relationships can help families navigate difficult times. The text encourages families to seek out resources and support when needed.

Overall, the document provides a comprehensive overview of family support and the various factors that influence family well-being. It offers practical suggestions and calls for action to improve the lives of families and children. The text is written in a clear and accessible style, making it easy for families and professionals alike to understand and apply the information.

Sister Mary Delores Sneeringer, daughter of Clarence and Elizabeth H. Hufnagel Sneeringer, entered the Sisters of St. Joseph in 1945.

Sister Laurena - Mary Elizabeth Gebhart, daughter of Raymond Gebhart, Sr., entered Sisters of St. Joseph, Chestnut Hill, Philadelphia, Pa. in Sept. 1947.
